Professor G. A. Barton,

Bryn Mawr, Pa.

Dear Professor Barton:

I have just received and read your circular with regard to the School of Oriental Research in Jerusalem and will hand it to our Professor of Oriental Languages. Unfortunately, however, at present the demands for maintaining our regular university activities are so great that we are struggling with an enormous deficit and there seems to me to be no likelihood of our being able to take any active share in promoting the School of Oriental Research in Jerusalem until we know where we are at the close of the war.

With kind regards, I am,

Yours sincerely,

President.
